Re: Board of Visitors of the University of Virginia and Affiliated Schools

Dear Governor McDonnell:

I hereby tender my resignation as a member of the Board of Visitors of the University of Virginia and Affiliated Schools (the "Board"), effective immediately.

I am honored to have served as a member of the Board since 2009. However, as I now reside in Florida, it is not practical for me to continue in this role, and I may not satisfy the composition requirements for the Board.

Sincerely,

Randal J. Kirk
